### **DETAILED ACTION**

The following action is in response to the amendment filed for application 10/772,097 on March 13, 2006.

#### ***Allowable Subject Matter***

Claims 36-37 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to show or render obvious the power transmission system for vehicles including a main drive wheel and an auxiliary drive wheel as claimed, and particularly including a clutch disposed in opposition to an electric motor relative to the plurality of reduction gears, and including the remaining structure of claim 36. The present invention also particularly includes the electric motor and clutch disposed at a front gear stage and a rear gear stage of the plurality of reduction gears, with a rotation shaft of the plurality of reduction gears in between, and including the remaining structure of claim 37.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roger L. Pang whose telephone number is 571-272-7096. The examiner can normally be reached on 5:30am to 4:00pm.
